

## The Shooting Stars Scoop

### A Note from Your Lieutenant Governor

Dear Division 23 Key Clubbers,

I can't believe we are already this far into the school year! Even though it seems to be flying past, remember to just take everything one day at a time. Don't get too stressed! Especially for you seniors who are applying to colleges and scholarships, trying to balance school with life, and staying busy with all of your extracurricular activities, this is probably the busiest time of your life. However, we must all stay true to our duties and do our best to make this community and our world a better place. Don't be afraid to ask for help; the only way we learn is by asking questions. You have many resources and people around you, such as advisers, fellow members/officers, and me.

Please remember that communication is key. When I send out e-mails or update the websites, let me know what you think!

I wish each and every one of you good luck with these next few busy months, and I look forward to meeting all of you when I visit your clubs. ☺

Sincerely in service,

*Alexis Taitel*

### Project Ideas

- At your next meeting, have members, officers, and advisers spend some time decorating fabric dolls for sick, hospitalized children. Simply go online or into a craft store, and you can buy plain white fabric dolls. Then, you and your members can use fabric markers, ribbons, and anything else you can think of to decorate them. When you are finished, bring the dolls to a local hospital (Renown is a Kiwanis affiliate), and the pediatrics ward will be more than happy to accept the gifts.
- Now through December 31, 2009, Yoplait (the yogurt company) will be accepting mailed donations of pink yogurt lids. "For every pink lid you send in by December 31, 2009, Yoplait will donate 10 cents to Susan G. Komen for the Cure, up to \$1.5 million. And we guarantee a donation of at least \$500,000." For more information, visit [www.yoplait.com/slsl](http://www.yoplait.com/slsl). Set up some kind of collection box at your school or in the main office, and at the end of December, send the clean lids to this address:

Save Lids to Save Lives  
P.O. Box 420704  
El Paso, TX 88542-0704

Attention all members...you can be involved in your clubs' activities too! There are plenty of ways for you to contribute, such as coming up with project ideas, taking photos at events, writing articles, providing food for meetings, helping with icebreakers, inviting special guests to meetings, and helping with Kiwanis family relations. Just communicate with your officers about what you are planning, and don't be afraid to ask for help! Key Club is meant to spread leadership, so get involved!
