

District Convention 2010

California Nevada Hawaii | Key Club International

District Convention 2010

When: Friday, April 9th to Sunday, April 11th, 2010
Where: Sacramento Convention Center, Sacramento, California
Theme: "Service: A Buzz and BEEyond"
Host Division: Division 7 North

Service Expo/Meet and Greet

This year the service expo will be combined with the meet and greet. By having these two events in the same room, more members will be able to meet the candidates and see the wonderful service projects clubs have put together. Forms will be available soon to sign up for the service expo part of this event. Also, boards for presentations will be provided by the District, so all you have to bring is items to put on the board!

Key Note Speaker

The Key Note Speaker will be Keith Hawkins. He has been a professional speaker for over 10 years and has addressed more than 400,000 people. Key Clubbers may remember him from the Long Beach 2007 District Convention, where he was also the Key Note Speaker.

Governor's Ball

Be ready to dance the night away at the Governor's Ball on Saturday night, celebrating all the hard work and service hours the Key Club members have accomplished!

Alternative Activities

Don't like to dance? Well, that is okay, because everyone at Convention will have fun! There will be many alternative activities available, including karaoke, board games, and video games. But, in order to have these games available, we need your help! You can find a contract on the CyberKey that will allow CNH to use your games. Please participate and volunteer to bring games!

Stay updated by going to www.cnhkeyclub.org! Registration, applications for the service expo and internships and more information about District Convention will be posted soon!

Camera and Stage Interns

Staging Internship: Interested in working behind the scenes? This internship includes setting up and cleaning up the DCON stage, working backstage during general sessions, running a professional camera and more!
Camera Internship: Love photography? This internship includes taking photos of DCON activities, helping create the slide show and more! For more information, applications and requirements go to www.cnhkeyclub.org.

Graphics

The DCON Committee needs pictures! Service projects, Fall Rally, DCMs, anything! Please send pictures to your Lieutenant Governor and have them send the pictures to the CNH Visual Archive or send them directly to cnhvisuals@gmail.com! Please label the subject of the email D## Event Name (Example: D12W FRN) and each picture D##_Event Name_# (Example: D12W_FRN_1, and the next picture would be D12W_FRN_2, etc.)

Sergeant At Arms

Sergeants at Arms, or SAA for short, are needed to make sure convention runs smoothly. Once members who signed up for SAA get their ribbons, the SAA co chairs will assign them one important task.

Call to Convention

The District Convention Committee has created a "Call to District Convention 2010" video for all the key clubbers to become more informed about District Convention. The video is on the home page of cnhkeyclub.org. Please present this video to your club so more people can learn more about DCON!
