A Note From the D23/45 Lieutenant Governor

Dear Key Clubbers,

Hello! My name is Alexis Taitel, and I am your new lieutenant governor for the 2009-2010 Key Club year. Typically, each division has its own lieutenant governor, but because no one ran for the position in Division 45, I have been appointed as the lieutenant governor for both Division 23 and 45.

I hope you have already kicked off the new Key Club year and that you have been thinking about new service projects, fundraisers, and membership recruitment strategies. If you have not yet begun to organize new projects, get started! It is never too early to begin

improving the world around you. Look to local charities and organizations for ways to help. Every organization needs some form of assistance, and with a little research and fundraising on your part, you can be the one that helps.

As this year begins, I would like to ask each and every one of you—officers and members alike—to put all of your effort into Key Club and your positions. Everyone in Key Club is a member of the “team,” so let’s band together now and start changing the world.

Sincerely in service,

Alexis Taitel

DCON Reflection

On April 3-5, I went to District Convention (DCON) in Anaheim, California, and I truly had the best weekend of my life! Not only did I learn a great deal about Key Club and my new position, but I also made new friendships that are sure to last a lifetime. I would recommend that everyone go to DCON and experience what I did, so please start fundraising now! Next year, DCON will be in Sacramento, California on April 9-11 2010

Awards & Opportunities

At the end of the Key Club year, each club officer will have the opportunity to apply for awards and recognition. There are separate awards for Presidents, Vice-Presidents, Secretaries, Treasurers, and Bulletin Editors. There are even awards available for Advisors. Each club will automatically be entered in 10 recognition contests, but your club cannot win unless it has enough points and meets all the necessary criteria. It is a great honor to see your club's name on the big screens at DCON, so I encourage you to work toward these awards this year. Check out the requirements for all the different awards at www.cnhkeyclub.org under the "Recognition" tab.
