### A Note From the D23/45 Lieutenant Governor

Dear Key Clubbers,

Hello! I hope everything went well for all of you who took AP exams and SATs in May. I know how busy this time of the year can be, so I would like to thank you for keeping Key Club at the top of your priority lists.

As you know, Key Club operates as a year-round organization, which basically means that community service never sleeps! The holidays are not the only time that people need help. There are homeless, hungry, impoverished, sick, and helpless people all over your community right at this moment. As Key Clubbers, it is our duty "to combat all forces which tend to undermine" our world and humanity. Throughout the summer, I strongly encourage you to organize

service projects and stay involved in your community. All officers and members are expected to volunteer at least 50 hours per year, and the summer is a great time to get some hours taken care of.

As the school year comes to a close, you should consider holding a social event for your club to celebrate the past year's events and happenings. Pizza parties, roller skating events, and barbeques are great ways to end the year.

Continue shining as Key Clubbers in the summer, and keep up the great work! ☺

Sincerely in service,

*Alexis Taitel*
