A Note From the D23/45 Lieutenant Governor

Dear Key Clubbers,

I can't believe we are already this far into the school year! Even though it seems to be flying past, remember to just take everything one day at a time. Don't get too stressed! Especially for you seniors who are applying to colleges and scholarships, trying to balance school with life, and staying busy with all of your extracurricular activities, this is probably the busiest time of your life. However, we must all stay true to our duties and do our best to make this community and our world a better place. Don't be afraid to ask for help; the only way we learn is by asking questions. You have many resources and people around you.

such as advisers, fellow members/officers, and me.

Please remember that communication is key. When I send out e-mails or update the websites, let me know what you think!

I wish each and every one of you good luck with these next few busy months, and I look forward to meeting all of you when I visit your clubs. ☺

Sincerely in service,

Alexis Taitel

Upcoming Events:

Fall Rally North will be October 24, where you can bid on lieutenant governors, go to a divisional spirit rally, meet new people, help out Pediatric Trauma Prevention, and have fun! Registration materials are available on www.cnhkeyclub.org under the "Events" tab.

- Our region needs at least 40 people to go to Fall Rally in order to have enough money for a bus!

Please remember that the divisional website, www.d23keyclub.weebly.com, gets updated constantly and has a whole list of project ideas. Make sure you stay up to date on what is going on, and ask if you have any questions. The website is officially "divisional," but there are lots of resources for the whole region on there as well.

The District Convention Committee has created a fun video all about DCON, called "Call to Convention." It will be posted on the district website within the next few weeks, so please check it out, and be sure to publicize it to all of your members!

“Service is the rent we pay to be living. It is the very purpose of life and not something you do in your spare time.”

~Marian Wright Edelman
