Dear Andrea Ochsenschlager:

My name is Alexis Taitel, and I am the President of Reno High School's Key Club. I recently spoke to you over the telephone regarding setting up a food drive, and I am hoping that we can work together to organize a great charity event to benefit the children of Anderson Elementary School. The general idea is to have several of my club members (between 3 and 6 at a time) stand inside the doors of your store, located on North McCarran Blvd., and ask entering customers if they could pick up one or two items of food and donate on their way out. We would like to hand out flyers to entering customers in order to explain our cause. I worked on a similar project in November through the Kiwanis Club of Reno, so I know exactly how to run it. I hope to hold the food collection event on a weekend in February, and it would last between six and eight hours. A possible date would be Sunday, February 8, from 9:00 a.m. to 5:00 p.m.

Many of the children at Anderson Elementary School have parents who recently lost their jobs and are currently unemployed. The children and their families are having a tough time making ends meet and are bringing home leftover food from their school lunches just to feed their families. These children desperately need help at this point, and I hope that you can help us to help them. If you have any questions regarding the children at Anderson Elementary School, please call Nancy Gill at (775) 829-1631.

I truly appreciate your cooperation and will be willing to adjust my idea to fit your suggestions. Thank you again, and I look forward to working with you in the coming weeks.

Sincerely,

Alexis Taitel
R.H.S. Key Club President
